## Waiver Form

Participation in the Red Tiger Summer Camp program involves various sports, games and physical activity, which by their very nature, have the potential to cause damage or bodily injury. I hereby consent to the participation by \_\_\_\_\_ ("the participant") in the program and I agree to and do hereby indemnify, save harmless and release Red Tiger Martial Arts, its officers, directors, governors, employees, agents, representatives and insurers (collectively referred to as "RTMA") from any and all claims, actions, costs, expenses and demands of what so ever kind, in respect to loss, damage, bodily injury or death to persons, including the Participant, or property, which may arise out of or in connection with the Participants participation in the Program, unless such loss is occasioned by or attributable solely to the gross negligence of RTMA.

I acknowledge that RTMA hereby reserves the right to request that the Participant With draw from the Program prior to its termination if, in the sole opinion of the coordinator or the instructors, the Participant is not acting in a responsible manner or displaying appropriate conduct, or in the event that the Participant's behavior is deemed to constitute danger to the health, safety or well being of other participants in the Program. I further confirm that and medical condition or medication requirements of the Participant, of which I am aware, have been disclosed to RTMA.

Experience has shown that, in connection with Program activities, there are times when illness or accident may occur and immediate surgical or medical attention is necessary. This is my permission for the camp counselors in charge, or designate, to make arrangements for qualified surgical or medical attention for my child/ward in the event of an emergency without necessity of my prior approval. I understand that I will be notified by the quickest means possible if this authority is exercised. I also consent to the transport by the camp counselor in charge, or designate, to medical facility, if medical treatment is required.
